On May 1, 1966	500,000
On September 1, 1966	250,000

TERMS OF AGREEMENT

(1) Exclusive Wholesale Sales Agent in the U.S.A.

The Canadian Corporation for the 1967 World Exhibition appoints Amexco, as its exclusive wholesale distributing agent in the U.S., for the advance sale of passports of admission to the Exhibition, which appointment will terminate

February 28, 1967, or earlier, as provided below. Amexco will distribute such passports to retailers outside its own organization on either a cash or consignment basis. Such appointment will be made only to accredited accounts as defined, and Amexco will not be liable for loss or default on such consignment other than to account to the Corporation. Amexco will also distribute to its own organizations, as defined, for sale at retail prices only, and will be liable for all passports not sold or returned by its own organization.

(2) Non-Exclusive Sales Agent outside the U.S. (excluding Canada)

The Canadian Corporation for the 1967 World Exhibition appoints Amexco as a non-exclusive retail agent, for the advance sale of passports outside the U.S., but excluding Canada. Such appointment extends only to Amexco's own organization, as defined, and Amexco is liable for all passports not sold or returned. All sales must be made at retail prices.

(3) Non-Exclusive Sales Agent in Canada

The Canadian Corporation for the 1967 World Exhibition appoints Amexco as a non-exclusive retail agent, for the advance sale of passports in Canada. Such appointment extends only to Amexco's own organization, as defined, for sale of passports at retail prices. Distribution to Amexco's own organization in Canada is to be on a sale basis, with an understanding to accept returns of unsold passports. Payment to be made on a monthly basis as sales to the public are made.

(4) Amexco Undertakings

Amexco undertakes to use its best efforts to promote the advance admission sale program in accordance with the terms hereof. Specifically, but without limitation, Amexco undertakes to devote such \$1,250,000 (U.S. Currency) exclusively to the advance admission sale program, and not to charge the cost of any advertising or promotion expense against such \$1,250,000 (U.S. Currency), unless three-quarters (3/4) of such advertising or promotion is exclusively devoted to the advance admission sale program. Attached is the preliminary budget prepared by Amexco (Schedule 1) indicating the allocation of such \$1,250,000.

Amexco will not make any substantial change in the budget without the prior knowledge of the Canadian Corporation for the 1967 World Exhibition. Amexco undertakes to organize a separate unit to carry out its wholesale sales agency function. Such unit shall have a separate operating budget, office and secretarial accommodation, a staff of competent sale personnel devoted exclusively to the advance admission sales program, a separate accounting system and books of account, and funds sufficient to carry out such unit undertakings. Amexco shall use Amexco sales personnel and other facilities where feasible and desirable. Amexco shall enter into agreements with the retailers of the passports, under which such retailers agree to adhere to the Corporation's price schedule and to comply with account, payment and settlement requirements. Amexco further undertakes that in its ordinary general advertising and promotion campaigns during the term of the Agreement, it will use its best efforts to advertise and promote the Exhibition and the advance admission sales program.

(5) Sales to all Corners in the U.S.

Amexco agrees to sell passports to all purchasers in the U.S. on the same basis, terms and price, and agrees that in retail advertisements, where direct reference is made to a retail source of supply of such tickets, Amexco will not refer solely and exclusively to American Express offices as such retail source of Corporation tickets.

(6) Payment and Accounting

The books of the Corporation and Amexco with regard to the advance admission sales program shall each be open to the other for inspection. Amexco shall account and pay the Corporation for passport sales monthly as Amexco receives payment.

(7) Territorial Protection

Amexco and the Corporation shall be granted territorial protection in respect of distribution and sales of passports at wholesale in the U.S. and the rest of the world respectively.

(8) Maintenance of the Corporation's Marketing Program

Amexco agrees to use its best efforts to adapt, for the U.S. market, the basic Corporation marketing program and to sell or distribute to service clubs, etc. in the same way as the Corporation.

(9) Bonus Book

Amexco agrees to distribute the bonus book prepared by the Canadian Corporation for the 1967 World Exhibition in the same manner as passports of admission, subject to agreement on price and discount schedules.

(10) License to use Symbols, Marks and Official Designation

The Corporation grants Amexco the non-exclusive right to use (but not for sale) the Corporation's symbols, names and trademarks. The Corporation grants Amexco the right to designate its travellers' cheque, credit card, travel agency and freight forwarding services as "official Expo '67" services in the United States and elsewhere, and shall not grant any other person such right to so designate its services in the United States without some consideration.

(11) Right of First Refusal

Should the Corporation decide to sell passports at wholesale anywhere outside the U.S., except in Canada, or decide to sell passports at wholesale in Canada to any non-Canadian, on a non-exclusive or exclusive basis, then it shall grant Amexco the right of first refusal to make such sales.

If the Corporation elects to sponsor a Commemorative Trade Dollar, or other similar product, and to market the same through any other party on a non-exclusive or exclusive basis, it shall grant Amexco the right of first refusal to market such product. If the marketing is to be by the Corporation itself, and in consideration of the work previously performed by Amexco in connection with such product, the Corporation shall enter into such arrangement with Amexco regarding commissions as the Corporation deems equitable in the circumstances.

(12) Term of Agreement and Cancellation

Amexco shall act as the Corporation's agent under the agreement from the date of its execution to February 28, 1967. The Corporation shall have the right to cancel the exclusivity features of the agreement on seven days' notice if:-

- (a) on or before February 28, 1966, Amexco shall not have sold in the United States and elsewhere (excluding Canada) tickets equal to an aggregate wholesale price of \$70,000.00 and shall not have distributed 200,000 tickets to retailers or its offices and the offices of its subsidiaries and correspondents;
- (b) on or before September 30, 1966, Amexco shall not have sold in the United States and elsewhere (excluding Canada) tickets equal to an aggregate wholesale price of \$700,000.00 and shall not have distributed 1,000,000 tickets to its retailers and its offices and the offices of its subsidiaries and correspondents.

Such right of cancellation shall be waived if not exercised within seven days following the dates set forth in sub-paragraphs (a) and (b) above.

13) Indemnification

Each party agrees to indemnify the other party for liability attributable to the conduct of the other party and within its control. The Corporation undertakes that if the Exhibition is cancelled, or its nature and performance dates are substantially modified, the Corporation shall pay to Amexco a sum equal to the number of passports sold by Amexco and subsequently returned to the Corporation times the highest retail price, but only if Amexco shall have been called upon by the purchasers of such passports to return to them their purchase price.

The Canadian National Railway Company proposes to construct
a railway industrial spur track, 1300 feet long, at Mile

Railway of \$393,100.

The Railway has a shortage of industrial unloading and
storage facilities at Prince Rupert, British Columbia,
for handling large quantities of heavy industrial equip-
ment. Prince Rupert and surrounding area is experiencing
a large industrial expansion which requires trackage
specially constructed to handle the increase in freight.

Celgar Limited (Columbia Cellulose Company Limited) is
permitting the Railway to construct the proposed trackage
on its property at no cost and it will supply to the Railway
all grading for the spur, concrete protection for the wood
stave pipe and treated timber for the bridge. The majority
of freight will be destined for Celgar Limited which is
proposing an expansion to its Watson Island plant.

That the Minister of Transport has sanctioned the
location of the spur track, aforesaid, as shown in red on
Railway Plan 9515, dated July 30, on record in the Department
of Transport.

The Committee, therefore, on the recommendation
of the Minister of Transport, pursuant to paragraph (a) of
subsection (1) of section 22 of the Canadian National Railways
Act, advise that Your Excellency may be pleased to approve the
construction, operation and maintenance by the Canadian
National Railway Company of the said railway industrial spur
track on the said location, at Prince Rupert, British Columbia.

That the Management of Canadian National Railway advised as follows:

In order to accommodate three new industries locating in the said industrial park and who will ultimately have private siding facilities, it is proposed to extend the existing industrial railway spur to a length of 1,000 feet, on a cost sharing basis between the Railway and the Town of Quebec-Ouest, at an estimated cost to the Railway of \$2,000.

Right-of-way for the spur extension is provided to the Railway by the said Town by means of a servitude over a strip of Brandon Avenue, 22 feet in width.

PRIVY COUNCIL

of the Privy Council, approved by His Excellency the Governor

The Committee of the Privy Council have
had before them a report from the Minister of Public
Works, representing:

That on the twenty-seventh day of September,
1948, a parcel of land lying east of a line drawn from
the point of intersection of the easterly boundary of the
New York Central Railway with the railway road to the point
of intersection of the common boundary between Lots 22 and
23 in the 3rd Concession with the easterly boundary of the
Canadian Pacific Railway Right-of-Way was expropriated by
the Department of Public Works for the Federal District
Commission which at the time was owned by one Charles James
Alexander Christy;

That the Federal District Commission wished to
wind up this matter quickly and one of their surveyors did
a quick survey to be used in the Notice of Expropriation. Unfortunately
this description was in error and included more land than the
Notice of Expropriation. The description attached hereto *well*
describes the land included in error in the Notice of Expropriation; *Christy*

That in 1956 Dominion Bridge Company Limited
purchased the adjacent lands from the Estate of Charles
Christy and the expropriated parcel from the Federal District
Commission;

That by Deed dated November 30, 1956, the triangular
parcel of land originally expropriated was conveyed by the
Federal District Commission to Dominion Bridge Company Limited
and the description in the deed was the smaller parcel as in
the Notice of Expropriation. Prior to the conveyance by the
Federal District Commission to Dominion Bridge Company Limited,
Dominion Bridge Company Limited obtained the balance of the
Christy land by deed dated May 15, 1956, and this description
in the said deed tied into the expropriation lines again and
therefore this deed actually covered the small triangular
parcel of land (described in Schedule hereto) which now
to still be vested in the Crown;

- 2 -

That the solicitors for the Dominion Bridge Company Limited have now requested the Department to sell them out with a view to making a lease for the small triangular parcel described in Schedule hereto to Dominion Bridge Company Limited.

The Committee, therefore, on the recommendation of the Minister of Lands and Forests, under the Lands Grants Act, advise that Quit Claim Letters Patent be issued in favour of Dominion Bridge Company Limited covering the triangular parcel of land described in Schedule hereto in consideration of the sum of \$50.

The Committee of the Privy Council have had
before them a report from the Minister of Transport
representing:

That there is a need to provide telephone service
to the old Radio Range Site at Buchans, Newfoundland for the
maintenance technician and the most economical method to
provide this service is to transfer open-wire communication
circuits and pole line facilities at Buchans to the Canadian
National Railway, who has agreed to provide service at standard
rates and charges.

That such a transfer is beneficial in that telephone
service will be economical and the Department will not have
the added expense of dismantling the above noted surplus
communication circuits.

That Concurrence to transfer the Department of Trans-
port's communication circuits to the Canadian National Railway
has been obtained from Crown Assets Disposal Corporation by
letter dated August 16, 1965.

The Committee, therefore, on the recommendation of
the Minister of Transport and the Treasury Board (T.B. 646601),
advise that authority be granted to transfer the said open-
wire communication circuits and pole line facilities at
Buchans, Newfoundland, to the Canadian National Railways

Crown-owned land (R.C.A.F. Airport) serve the ditches and
fire hydrants on the aforesaid surplus property and the Depart-
ment of National Defence has indicated that the proposed
granting of servitudes for continued use of the catch basin

newspapers with the stipulation that the use of the property
was restricted to aviation purposes;

That the high bidder, when called upon to execute
an Agreement of Sale and forward the balance of downpayment

to be retired by the Purchaser in five equal annual con-
secutive payments, the entire transaction to be secured by
a deed of Hypothec bearing interest at the rate of 6% per
annum;

- 2 -

That it is considered that the sale as aforesaid is in the public interest;

The Committee, therefore, on the recommendation of the Minister of Industry, advise that Your Excellency may be pleased, pursuant to the Surplus Crown Assets Act, to

- (a) approve the sale as aforesaid together with the servitudes required for the operation of the ditches and fire hydrants on the surplus property, and that, upon provision by the Minister of Industry of a satisfactory description of the land to be transferred and the land or other immoveables required for the enjoyment of the proposed servitudes, Letters Patent do issue granting title to United Aircraft of Canada Limited, located at the City of Longueuil, in the Province of Quebec, with rights of servitude on the adjacent airport property for the servicing of ditches and fire hydrants, and

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee
of the Privy Council, approved by His Excellency the Governor
General on the

3rd November, 1965.

The Committee of the Privy Council have had
before them a report from the Minister of National Health
and Welfare representing:

That by Order in Council P.C. 1963-1455 of 3rd
October, 1963, authority was granted, pursuant to the Public
Lands Grants Act to enter into a renewal agreement with
Springbank Dehydration Limited for the lease of thirty-two
acres of lands adjacent the Coqualeetza Indian Hospital at
Chilliwack, British Columbia for a term of four years from
the 1st day of March, 1963, at an annual rental of eight
hundred dollars (\$800.00). In granting such authority
consideration was given to benefits accruing to the Crown
from such agreement including the maintenance of thirty-two
acres of temporarily surplus land adjacent to the Coqualeetza
Hospital above referred to, on which the Lessee agreed to
grow certain grasses for dehydration purposes and generally
to maintain in neat and cultivated condition, a service
which, but for the agreement would have been required to be
performed by professional gardeners or landscape specialists.

That at the time the agreement was thus entered into,
no taxes were levied against the Lessee; but the Town of
Chilliwack has now assessed the Lessee for the present year
an amount of three hundred sixty-four dollars and twenty-one
cents (\$324.21) which, the Lessee advises, when added to the
annual rental payable to the Crown as above mentioned, renders
the project uneconomical.

That in the opinion of the Minister of National
Health and Welfare it is to the advantage of the Crown that
the work carried on by the Lessee be continued and it is
proposed therefore that the lease agreement be amended.

- 2 -

The Committee, therefore, on the recommendation of the Minister of National Health and Welfare and the Treasury Board (T.B. 647293), advise that authority be granted to amend the lease entered into under Order in Council P.C. 1963-1455 of 3rd October, 1963, with Springbank Dehydration Limited, dated 27th May, 1963 for the rental of 32 acres of land adjacent to the Coqualeetza Indian Hospital, owned by Her Majesty and administered by the Department of National Health and Welfare at Chilliwack, British Columbia, in order to provide that the total rental payable by the Lessee in respect of the years ending February 28, 1966 and February 28, 1967, be reduced by an amount equal to the total Municipal taxes payable by the Lessee in respect of the said land for the years 1965 and 1966 respectively.

NATIONAL DEFENCE

The Board recommends that the Foreign Service Allowance Regulations (Appendix XXIII to the Queen's Regulations and Orders for the Royal Canadian Navy, the Canadian Army and the Royal Canadian Air Force) approved by Order in Council P.C. 1962-13/660 of May 12, 1962, as amended, be further amended in accordance with the Schedule attached hereto.

CLERK OF THE PRIVY COUNCIL

.....

Certified to be a true copy of a Minute of a Meeting of the Committee
of the Privy Council, approved by His Excellency the Governor
General on the

PRIVY COUNCIL

24th November, 1965.

The Committee of the Privy Council have had
before them a report from the Minister of National Defence
stating as follows:

The lands comprising the Maple Creek Armoury Site
were donated to the Crown by the Town of Maple Creek
in 1912;

The Town of Maple Creek has requested a portion of
the armoury site which is required for a road allow-
ance in connection with a street improvement programme;

The parcel of land requested by the Town is outside
the fence line of the armoury site and serves no
useful purpose at the present time;

The parcel of land offered to the Crown in return
is located directly across Fourth Avenue from the
Armoury and would provide suitable off-street parking
for the personnel attending the Armoury for training,
thus alleviating the traffic problem caused by parking
on the streets adjacent to the Armoury;

The Town Council of the Town of Maple Creek is agree-
able to the proposed exchange and the Town has under-
taken to provide the survey plan and legal descriptions
of the lands involved;

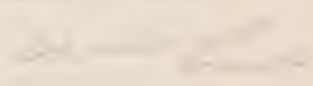

The said parcels of land are outlined in green and
red respectively on a plan filed with the Registrar of
Documents, Department of National Defence, as
Document Number 15752; and

The proposed exchange of lands is considered to be
fair and reasonable and in the public interest.

- 2 -

The Committee, therefore, on the recommendation of the Minister of National Defence and the Treasury Board (T.B. 647583), advise that Your Excellency may be pleased, pursuant to the Public Lands Grants Act, to authorize the grant to the Town of Maple Creek, Saskatchewan, the land described in schedule "A" hereto; Letters Patent to issue upon the conveyance by the Town of Maple Creek to Her Majesty in right of Canada the land described in schedule "B" hereto.

The Committee further advise that Your Excellency may be pleased to authorize acceptance from the Town of Maple Creek the said land described in schedule "B" hereto.

as follows:

That by Order in Council P.C. 1965-1695 of 15th September, 1965, the administration and control of two parcels of Departmental land containing 19.94 acres in the Parish of Moncton, County of Westmorland, was transferred to Her Majesty in right of the Province of New Brunswick, required in connection with the new Moncton to Shediac Highway;

That a certified copy of the said Order in Council was forwarded to the appropriate Provincial officials for their records;

That correspondence has now been received from the Provincial Department of Public Works advising that their Registry Act requires that a description and plan be filed in the Registry Office, and unless it is referred to in the Order in Council it cannot be filed separately; and

Y COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 24th November 1965.

The Committee of the Privy Council have had before them a report dated 17th November, 1965, from the Minister of Transport, representing:

That the Corporation of the City of Nanaimo proposes to develop the Commercial Inlet area by extending existing streets and establishing municipal parking lots and to that end has made application to purchase such lands as remain in Federal Crown ownership. The lands in Crown ownership are those described as Parcel 1 in Schedule A hereto shown outlined red on Schedule B hereto and the Corporation has agreed to pay the appraised value of \$4,874, as determined by the Real Estate Branch, Department of Transport, therefor;

That, included in the area to be developed are other lands in which the Crown Quitclaimed its interest to Canadian Western Fuel Company Limited in 1922 but in order to have deposited and registered a plan of subdivision of the whole area to be developed, the Land Registry Office has requested that the Federal Crown issue a Letters Patent Quitclaiming any interests it might have in the lands Quitclaimed in 1922 and also part of a lane lying between some of the lands or lots so Quitclaimed;

That a search of title by an agent of the Minister of Justice has confirmed that the only title the Federal Crown has is to the lands covered by Parcel 1 of the Schedule hereto;

That at the time of the formation of the Nanaimo Harbour Commission the Corporation of the City of Nanaimo had agreed to convey to the Commission certain other lands in the Commercial Inlet area. That transfer of title was never made and the City now requires said lands, specifically those described in Parcel 3 in the Schedule A hereto, as part of its development.

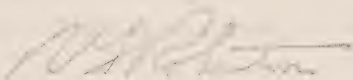

That the said Parcel 3 is not required by the Nanaimo Harbour Commission and title thereto is to be left with the Corporation who will pay to the Federal Crown the present day appraised value thereof, namely \$1,669, as determined by the Real Estate Branch, Department of Transport;

- 2 -

That all of the lands to be Quitclaimed are those described as Parcels 2a, b and c as shown in Schedule A, and marked on the plan shown outlined blue.

The Committee, therefore, on the recommendation of the Minister of Transport, advise that, pursuant to the Public Lands Grants Act,

- (1) Letters Patent do issue in favour of the Corporation of the City of Nanaimo conveying Parcel 1 described in Schedule A hereto and shown outlined red on Schedule B hereto, for the sum of \$4,874;
- (2) Quitclaim Letters Patent do issue, quitclaiming any interest the Crown may have in Parcels 2a, b and c described in said Schedule A and shown outlined blue in said Schedule B, in favour of the Corporation of the City of Nanaimo; and
- (3) The sum of \$1,669 be accepted from the Corporation of the City of Nanaimo in lieu of the conveyance to the Crown by the Corporation of those lands described as Parcel 3 in said Schedule A and shown outlined yellow on said Schedule B.

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee
of the Privy Council, approved by His Excellency the Governor
General on the

1st December 1965.

The Committee of the Privy Council have had
before them a report dated 16th November, 1965, from
the Acting Minister of Finance, representing:

That Appropriation Acts No. 1 and No. 6, 1965,
provide that the Governor in Council may, in addition
to the sums now remaining unborrowed and negotiable
of the loans authorized by Parliament, by any Act heretofore
passed, raise by way of a loan, under the Financial Admini-
stration Act, by the issue and sale or pledge of securities
of Canada, in such form, for such separate sums, at such rates
of interest and upon such other terms and conditions as the
Governor in Council may approve, such sum or sums of money,
not exceeding in the whole the sum of one billion, seven
hundred and fifty million dollars, as may be required for
public works and general purposes; and

That it is expected that receipts of the Unemployment
Insurance Fund during the fiscal year ending March 31, 1966
will exceed payments required to be made from the said Fund
during the same period, and it has, therefore, been deemed
advisable, pursuant to the Unemployment Insurance Act, that
these excess receipts be invested in interest-bearing
non-marketable securities of Canada.

The Committee, therefore, on the recommendation of
the Acting Minister of Finance, advise that Your Excellency
may be pleased, pursuant to the Financial Administration Act
and Appropriation Acts No. 1 and No. 6, 1965, to authorize
the Minister of Finance to arrange for the issue, for cash,
to the credit of the Unemployment Insurance Fund from time

That an "easement" over two parcels of Crown-

reported surplus by the Department of National Defence for
disposal to the Manitoba Telephone System;

That the limited interest in the land is

That it is considered that the sale as aforesaid

General on the 22nd December 1965.

PRIVY COUNCIL

The Committee of the Privy Council have had before them a report dated 15th December, 1965, from the Minister of Veterans Affairs, representing:

That under an agreement dated 18th August, 1943, between the Crown and the Corporation of the City of Regina, authorized by Order in Council P.C. 6071 of 29th July, 1943, the Department of Pensions and National Health erected a hospital pavilion adjacent to the Regina General Hospital on lands belonging to the Corporation of the City of Regina, the ownership of the pavilion to remain in the Department with the right of the City of Regina to purchase the building at an appraised value when it ceased to be of use to the Department;

That the cost of building and equipping the pavilion of 186 beds designed for the treatment of departmental patients was approximately \$268,000;

That from 1945 until the end of 1947 the bed capacity of the pavilion was utilized by the Department for the treatment of persons for whom the Department had a responsibility under the Veterans Treatment Regulations, but between 1948 and the present time the departmental patient strength has declined until now only 36 beds in the pavilion are usually occupied by departmental patients, and other departmental patients requiring care in special treatment services are accommodated on the special wards of the Regina General Hospital, but the maximum total requirements for bed accommodation by the Department never exceed 50 beds;

That the bed accommodation in the departmental pavilion not required by the Department has been placed at the disposal of the Hospital for the use of civilian patients in accordance with the agreement dated August 18, 1943;

That in 1962 the Board of Governors of the Hospital informed the Department that they proposed to build a new active-treatment wing and that they would provide a total of 50 beds in the new accommodation for the departmental patients, and authority was granted under Order in Council P.C. 1962-1188 of 22nd August, 1962, for the Department to enter into an agreement with the City of Regina for the transfer

of ownership of the departmental pavilion to the City of Regina on the understanding that priority beds up to a maximum of 50 would be provided to the Department in the new wing;

That no agreement was negotiated because under the Co-ordinated Program of Hospital and Health Services for Regina the plans to rebuild the hospital had been materially altered and a new wing would not be added to the Regina General Hospital;

That the Regina General Hospital, including the departmental pavilion, is in urgent need of modernizing, the Executive Director of the Hospital has indicated that if the ownership of the departmental pavilion were transferred to the Hospital they would then proceed with a modernization program at their expense with the guarantee that the 36-bed ward on the top floor of the departmental pavilion would remain exclusively for the use of departmental patients requiring medical care, and the present policy whereby departmental patients requiring treatment by specialized services are admitted to other wards designated for such purposes would be continued, so that the Department would have a priority for the admission of departmental patients up to a combined total of 50 patients in accommodation equivalent in standard to that provided for the population at large; and

That officers of the Department have studied the proposal and hold the view, in which the Minister of Veterans Affairs concurs, that if an agreement were reached between the Department and the Corporation of the City of Regina and the Board of Governors of the Regina General Hospital, the facilities and equipment for treatment of departmental patients would meet the Department's standard for treatment and that no hardship would be worked to the detriment of any entitled person requiring treatment under the Veterans Treatment Regulations.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, advise that Your Excellency may be pleased to authorize that, notwithstanding the terms of the agreement of 18th August, 1943, an agreement be entered into between the Department of Veterans Affairs,

- 3 -

the Corporation of the City of Regina and the Board of Governors of the Regina General Hospital transferring, for the consideration of the selling, the ownership of the departmental pavilion of the Regina General Hospital to the Board of Governors of the Regina General Hospital on terms satisfactory to the Department.

Order in Council P.C. 1962-1188 of 22nd August, 1962 is hereby revoked.
